

Jeanneau FAST FACTS

From Performance Boating Sales

NEW Jeanneau Sun Odyssey 415

- **The best value 40-footer on the market:** Price, quality, exterior & interior space, and sailing performance. The new SO415 wins on all fronts!
- **Walkaround side decks:** For safe ease of movement to the side-decks and forward.
- **Exceptional sailing characteristics:** A progression on the highly regarded 410 hull which has built a reputation as a superbly performing yacht, both inshore and offshore.
- **Generous Engine size:** Standard 45hp Yanmar with shaft drive, for power under motor in any conditions, and less maintenance.
- **Phenomenal shoal-draft performance:** The winged shoal draft keel, combined with the chined hull & twin rudders provides upwind and off wind performance that is imperceptible from the standard deep draft. So, no compromise to choose the 1.6m draft offering with the accessibility that this provides.
- **Integrated Bowroller/Bowsprit:** A bowsprit with strong points for both Code 0's and Assy spinnakers, while the anchor remains located beneath ready to deploy.
- **Performance model:** 6% more sail area, Dimension/Polyant DCX sail material, Dyneema halyards and genoa Flat deck Furler.
- **Generous saloon:** U-shaped dinette with seating for 5 adults. Plus dual seating opposite with nav' table/workstation.
- **L-shaped Galley:** Traditional L-shaped galley with abundant storage, and deep sink with removable lid for additional counter space.
- **Fully rectangular beds:** All beds full rectangular 2m x 1.5m standard doubles, whether 2 or 3-cabin layout.
